

# PPE Inspection Checklist

---

Use this checklist to inspect essential PPE items before every shift. Ensure each item is in good condition and meets site requirements.

- ☐ Hard Hat – Free of cracks, dents, and secure fit
- ☐ Safety Glasses – Clean, unscratched lenses, good visibility
- ☐ Hearing Protection – No damage, functioning properly (earplugs/earmuffs)
- ☐ Gloves – No tears, suitable for task (cut-resistant, chemical, etc.)
- ☐ Safety Boots – Soles intact, toe protection in place, proper fit
- ☐ Hi-Vis Vest – Reflective strips intact, not faded or torn
- ☐ Respiratory Protection – Clean mask, proper filter, good seal
- ☐ Fall Protection (if applicable) – Harness, lanyard, and anchor point inspected
- ☐ Clothing – Flame-resistant or job-appropriate attire (no loose clothing)
- ☐ Other PPE (specific to job/task) – \_\_\_\_\_
